

# Fremont Farmers Market

## Covid-19 Guidelines

### Updated July 24, 2020

#### For Vendors

- Vendors will set tents and tables up 6ft apart
- Use of cotton table cloths are not permitted...plastic table clothes that can be cleaned are permitted
- Masks are REQUIRED for all vendors (anyone in your tent)
- Ready-to-eat foods must be prepared and pre-packaged prior to the market
- Encourage vendors to sanitize space and clean hands after every money transaction
- Need to create barrier with tables on 3 sides of tent (No customers walking in the tents)
- Vendors handle all merchandise
- No sampling of any food is permitted
- Cooked food on site must be in to-go containers
- No open condiments are to be put out for customers...needs to be vendor applied or pre-packaged

#### For Customers

- Encourage someone else to come to the market to shop for you if you do not feel healthy or comfortable attending
- Chalk will be used to demonstrate suggested physical distancing among customers
- Customers are REQUIRED to wear masks...gloves are not required
- Sanitation stations located throughout the market...Clean hands frequently
- Customers will be able to enter and exit at their convenience
- Customers will not be allowed to touch items displayed on vendors tables...Look with your eyes not with your hands
- Allow the vendor to handle any purchases until the transaction is complete
- Maintain 6ft distances in lines for vendors, concessions and restrooms

#### What Downtown Fremont Inc. is doing?

- Require vendors to set-up at least 6ft apart
- Provide hand sanitation stations throughout the market
- Vendors/volunteers/customers are REQUIRED to wear masks
- Provide signage throughout market and to the vendors
- Chalk 6ft lines throughout the market for social distancing
- No shopping carts at this time
- No picnic tables for seating because it is a Take & Go Event
